

CIELLO SLIM SILHOUETTE

Ciello ensures relaxed sitting and offers an impressively slim silhouette. The curvature in the backrest takes the strain off the spine. The secret of its compact form lies in the innovative DLX® Duo-Latex upholstery. Ciello is popular with creative thinkers and decision-makers with an eye for consistent design and natural comfort.

- | Counteracts neck and back pain and central fatigue.
- | Dynamic sitting counteracts a one-sided, rigid posture.
- | Gentle support thanks to DLX®
- | Prevents curvature of the back.

Neck support. Gently supports the neck muscles. Height-adjustable.

Point-synchronised mechanism. For dynamic physiological movements. Prevents a harmful, rigid posture. Lockable in three different positions

Optional, "Air-Support" lumbar support. The integrated air cushion is height and depth-adjustable. The backrest adjusts to different body sizes and supports the lower back.

Z-armrests. Adjustable by 10 cm in height and 2.5 cm in depth forwards

MF arm supports. Multifunctional: height-adjustable by 11.5 cm and horizontally adjustable by 8 cm forwards. Each armrest is width-adjustable by 5 (+3) cm and swivels by 30° to the left/right. It can be locked in the selected position.

4F arm supports. Four functions: height-adjustable by 11 cm and horizontally adjustable by 5 cm forwards. Each armrest is width-adjustable by 2.5 (+3) cm and swivels by 30° to the left/right.

Design armrests

DLX® (Duo-Latex) mesh covering. Breathable two-layer technology with flexible latex fabric for optimum pressure distribution in the seat and back prevents pressure points and stimulates the circulation.

Patented adjustment of the counter-pressure in the backrest to individual body weight thanks to user-friendly rapid adjustment system.

Leather padding. More design, more comfort: the design armrest with leather padding, colour-coded to match the Cielo leather variants.

KLÖBER CIELLO PRODUCT OVERVIEW.

Swivel chair cie99
with neckrest,
4F arm supports,
polished aluminium
base.

Swivel chair cie99
with neckrest,
design armrests,
